## Rapid Decision Final Expense from Fidelity Life Association

## Rapid Decision Final Expense

Rapid Decision Final Expense provides protection for individuals ages 50-85 that can help lessen the burden of covering one's final expenses which includes, but is not limited to credit card debt, funeral costs, and medical expenses. This permanent whole life coverage is available for amounts starting at \$5,000 and up to \$35,000.

Policy issuance does not require a medical examination. Instead, approval depends on the answers to health questions on the application and results from database sources. Although the eligibility questions cover individuals with some impairments, this product is not suitable for applicants with serious health or other risk issues or who have a limited life expectancy.

Fidelity Life Association offers vast industry experience, competitive rates and quality service. That is innovation born from over 100 years of experience protecting the families of Middle America.

People just like you.

## Accelerated Death Benefit Rider

(automatically attached, at no additional cost, to all Rapid Decision Final Expense policies where approved)

Beginning in policy year 3, this rider provides for an advance payment of up to 50% of the death benefit if the insured is diagnosed by a physician to have a life expectancy of 12 months or less. Death benefits are reduced by the advance plus interest.

The Accelerated Death Benefit Rider expires upon termination of the base policy, the acceleration of death benefit, or the anniversary following insured's 85th birthday.
